KING Rabbit Food

Simply Amazing!

No-corn feeds are new to some companies but that has been our only program for many years. Rabbits do best on fixed formulas and low starch diets. KING offers several options: all targeting cecum health.

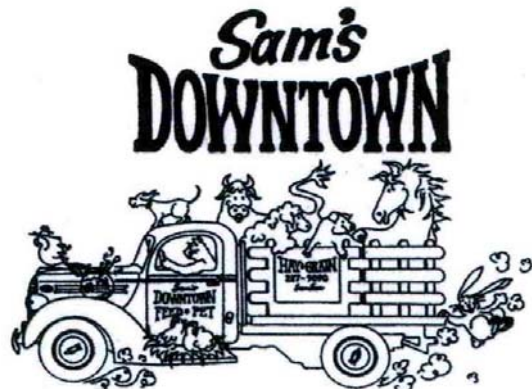

1. **Lifelong Combo**: sole diet. Adjust amounts according to needs.
2. **Lifelong Combo** for growth and production & **Lifelong Natural** for maintenance and shows.
3. **Lifelong Natural** & **Doe Builder Supplement**, together. **Doe Builder** for increased calories and protein for maximum milk production.
4. **KING Cloverleaf** as a grower/developer and **Lifelong Natural** for shows. **Natural** retains prime longer. **Lifelong** products contain Vitamin C (stress reduction), lecithin (for improved skin, hair and hairball reduction) and direct-fed-microbials (for improved gut health). We also only use whole plant yucca, not extract, for more effective odor control and as an aide in joint-swelling reduction.
